

Food Court Guidelines for Vendors

This is a family event and fine art festival. In addition to chalking the sidewalks, children participated in many free arts activities. Entertainers performed all day long and we hosted an arts market featuring local artists and craftsmen. Last year, over 500 families with children of all ages registered for this event. Each year, the event has grown. In addition, many people just came out to enjoy the day.

Food is always an important part of any day-long festival. Your church, club, or service group is invited to participate. If you do not already know the type of food you wish to sell, the Food Vendor chairman can provide some suggestions.

If you use a tent, it must meet state Fire Marshal codes.
